

Notice of Meeting

Nominations and Reestablishment of I. S. 349 Parent Association

Thursday, February 28, 2024

February 1, 2024

Dear Parent/Guardian,

Involvement of parents/guardians in the life of I.S. 349 continues to be a very important element of our mission, as we strive to develop a 'Community of Learners' where everybody works together to ensure that all the members of our school community, parents, staff and most importantly students get the best possible opportunity to grow and flourish.

The support, commitment and co-operation shown by parents/guardians to our school and students is very much appreciated. First amongst these more formal partnership structures has been the Parent's Association and the School Leadership Team, which have built strong links and worked collaboratively with the school.

I. S. 349 we need your help, and we are requesting our family's cooperation, commitment and support once more. Two of our vital parent committees our Parent Association and our School Leadership Team have ceased to function this school year due to no membership quorum during two prior expedited election meeting attempts.

The primary roles of the Parent's Association and SLT is to work in partnership with the school for the betterment of the students in the school in a manner that supports and empowers parents to be active in the best interests of their children's educational journey. We encourage all parents/guardians to take an interest in both crucially important committees within our school community.

We are inviting interested parents/guardians to a nomination meeting to select members for both the Parent's Association and the School Leadership Team.
